NOTES

1. The current Personnel Statistics report has been modified so that it differs in structure from the 2014 Personnel Statistics report. New tables have been included in the current report; some tables that were included in the 2014 report have been eliminated from the current report; and the structure of some tables has been modified from their structure in the 2014 report. All changes have been made for the purpose of making a coherent and complete presentation of the thematic categories that were presented in the 2014 report.
 - a. Tables that were previously presented in the 2014 addendum of National Professional data are included in the current report.
 - b. A reconciliation of 2014 table numbers with 2015 table numbers is presented in Appendix A of the current report. Informational remarks about some tables are also included in Appendix A.
 - c. Any tables that were included in the 2014 report and that have been eliminated from the current report can be produced from data that is contained in tables in the current report.
2. Data that was utilized to produce this report was certified as being valid and correct as of 31 December 2015 by each organization that, respectively, submitted data. Each submitting organization is responsible for the validity and correctness of the underlying data that is represented in this report.
 - a. As of the date of publication of this report, UNOPS had submitted, but had not certified the validity and correctness of, data of its staff members. That uncertified data was utilized in the production of this report, and therefore, all data in this report that relies upon the data that was submitted by UNOPS may or may not be valid and correct.
3. Data that was utilized to produce this report is limited to records of staff members who were engaged in an employment of one year or longer as of 31 December 2015. The determination of whether a staff member was engaged in an employment of one year or longer was made by each respective submitting organization. This is consistent with the presentation of data in the 2014 report.
4. Records of staff members who were reported as having a grade of PO are included the current report. Records of such staff members were excluded from the 2014 report and comprised 198 records of 2014 data.
5. The collection of 2015 staff member data differed from the collection of 2014 staff member data in multiple aspects that are relevant to this report.
 - a. The scope of records that were collected in the 2015 staff member data was expanded to explicitly include records of all staff members in each organization. "All staff members" is defined as being all personnel who were subject to the Staff Rules and Regulations of a United Nations Common System (UNCS) organization on 31 December 2015. For previous collections of Personnel Statistics records, some organizations did not submit records of staff members (1) who held one of various forms of temporary contracts; (2) who were employed as a Junior Professional Officer (JPO), an Associate Professional Officer (APO), or an Associate Expert (AE); (3) who were employed by the organization but who were

administered by another organization; or, (4) who were employed in a non-professional grade that was not a General Service grade. Consequently, some counts of staff members in the current report are substantially greater than corresponding counts in the 2014 report due to the increased completeness of the scope of the 2015 records.

- b. The explicit type of appointment of each staff member was collected in the 2015 staff member data. The 2014 staff member data only included an indication of whether or not the appointment of each staff member was limited by time. Consequently, the current report distinguishes between types of appointments that are Without Time Limit, that are Fixed-Term, and that are Temporary, where it is relevant to do so.
 - c. The explicit grade of each staff member was collected in the 2015 staff member data – including the explicit grades of staff members whose grades were both non-professional and not General Service grades. The collection of 2014 staff member data allowed only for the indication International Professional, National Professional, and General Service grades; Non-professional grades that were not General Service grades were mapped by each organization to an equivalent General Service grade, or records of staff members who were employed in such grades were not submitted to the CEB. Consequently, the current report distinguishes Field Service grades from other grades, where it is relevant to do so; the non-professional Language Teacher grades, Public Information Assistant grades, Safety and Security grades, and Trades and Crafts grades are, where relevant to do so, presented in the General Service grade category under the label of "Other".
6. The following are the notes regarding the reporting of records to the CEB for staff members who had a special employment status.
 - a. Records of staff members who were loaned from one organization to another organization should have been submitted to the CEB only by the releasing organization, with the current duty station of each staff member being reported.
 - b. Records of staff members who were seconded from one organization to another should have been submitted to the CEB only by the receiving organization.
 - c. Records of staff members who had the employment status of special leave without pay should have been reported to the CEB with data that reflected their last active duty status.
7. The following are notes that pertain to the data of specific organizations.
 - a. Data in the current report that pertains to the label of UN includes staff members of the following departments/sub-entities: ATSMT, CNMC, CTED, DESA, DFS, DGACM, DM, DPA, DPI, DPKO, DSS, ECA, ECE, ECLAC, EOSG, ESCAP, ESCWA, ETHICS, GOE-DRC, ICTR, ICTY, IRM, MENUB, MGSE, MINURSO, MINUSCA, MINUSMA, MINUSTAH, MONUSCO, OAJ, OCHA, ODA, OHCHR, OHRLLS, OIOS, OLA, OPESG-WS, OSAA, OSASG-CYPRUS, OSASG-MYANMA, OSASG-POG, OSEE, OSESG-GLAKES, OSESG-SAHEL, OSESG-SC1559, OSESG-SSS, OSESG-SYRIA, OSESG-YEMEN, OSRSG-CAAC, OSRSG-SVC, OSRSG-VAC, PBSO, POE-CAR, POE-DPRK, POE-IRAN, POE-LIBYA, POE-S.SUDAN, POE-YEMEN, RSCE, SUP-SC1540, UN-Habitat, UNAKRT, UNAMA, UNAMI, UNAMID, UNCC, UNCTAD, UNDOF, UNEP, UNFICYP, UNICRI, UNIFIL, UNIOGBIS, UNISDR, UNISFA, UNLB, UNMIK,

UNMIL, UNMISS, UNMOGIP, UNOAU, UNOCA, UNOCI, UNODC, UNOG, UNOMS, UNION, UNOP, UNOSDP, UNOV, UNOWA, UNRCCA, UNRGID, UNROD, UNSCO, UNSCOL, UNSMIL, UNSOM, UNSOS, UNTSO.

- i. Records of staff members who were employed by the UN tribunals (ICTR, ICTY, and IRM) were not reported to the CEB in the 2014 data, and therefore, staff members of these entities were not included in the 2014 report. The UN Secretariat reported that the UN tribunals had 833 staff members who, as of 31 December 2015, were each engaged in an employment of one year or longer; these 833 staff members are included in the 2015 report.
- ii. Records of staff members who were employed by the UN Secretariat but who were administered by UNDP were not reported to the CEB in the 2014 data, and therefore, such staff members were not included in the 2014 report. The UN Secretariat reported that it had 2,176 UNDP-administered staff members who, as of 31 December 2015, were each engaged in an employment of one year or longer; these 2,176 staff members are included in the 2015 report.
- b. The Secretary General of the UN is not included in this report, as the UN Secretariat did not include a record of the Secretary General in its submission of data to the CEB because the UN Secretariat does not consider the Secretary General to be a staff member of the UN.
- c. Staff members of the JIU and of the UNSCEB (CEB) are included as separate entries in the current report. Staff members of each of these organizations were not included in the 2014 Personnel Statistics report, because they were not included in the 2014 submission of data to the CEB.
- d. Staff members of the ILC were included the 2014 Personnel Statistics report as staff members of the IFAD, because they were reported as such by the IFAD. Staff members of the ILC are excluded from the 2015 report. The IFAD reported that the ILC had five staff members who, as of 31 December 2015, were each engaged in an employment of one year or longer.
- e. Staff members of the APOC and of UNITAID were included the 2014 Personnel Statistics report as staff members of the WHO, because they were reported as such by the WHO. Staff members of the APOC and of UNITAID are excluded from the 2015 report. The WHO reported that the APOC had 45 staff members who, as of 31 December 2015, were each engaged in an employment of one year or longer. The WHO reported that UNITAID had 35 staff members who, as of 31 December 2015, were each engaged in an employment of one year or longer.
