Fifty-seventh session

Item 117 of the provisional agenda*

Administrative and budgetary coordination of the United Nations with the specialized agencies and the International Atomic Energy Agency

Budgetary and financial situation of organizations of the United Nations system

Note by the Secretary-General transmitting the statistical report of the Chief Executives Board on the budgetary and financial situation of the organizations of the United Nations system**

Summary

The present report on the budgetary and financial situation of organizations of the United Nations system is the only system-wide source of these statistics. Until 1991, the report, in a slightly modified format, was produced by the Advisory Committee on Administrative and Budgetary Questions and was included in its annual reports on administrative and budgetary coordination of the United Nations with the specialized agencies and the International Atomic Energy Agency (IAEA). Since 1991, six biennial reports have been produced under the auspices of the Administrative Committee on Coordination. The present report, the seventh of its kind, is the first to be presented by the Chief Executives Board.

* A/57/150.

** Late submission of the report is due to late receipt of statistical data from some organizations.

1. The present seventh report is being presented by the Chief Executives Board (formerly the Administrative Committee on Coordination).
2. The tables in the report are grouped under the following three subject headings:

(a) Regular budgets and assessed contributions:

Table 1. Approved regular budgets (1994-2003). This table shows, for each organization appearing in the report which has an assessed regular budget¹ and for each year from 1994 to 2003, the total amount of approved regular budget appropriations, including any supplementary estimates;

Table 2. Assessed contributions (1994-2003). This table shows, for each organization appearing in table 1 and for the same years, the total assessments payable by Members under approved regular budgets. Assessed contributions relating to extrabudgetary activities, such as certain peacekeeping operations of the United Nations, are not included;

Table 3. Percentage assessments (2002-2003). This table shows, for each member of the organizations appearing in the preceding tables, the percentage amount of the assessed contributions payable under approved regular budgets in 2002 and 2003;

Table 4. Assessments voted and received (2000 and 2001). This table shows, for each member of the organizations appearing in the preceding tables, the assessment payable under approved regular budgets and the amount collected in relation to current assessments and arrears in 2000 and 2001. Please note that in prior reports, data was provided covering United Nations peacekeeping operations, but that this has been eliminated from table 4. Peacekeeping data may be found in the monthly reports of the Secretariat on status of contributions (ST/ADM/SER.B....);

Table 5. Collection of assessed contributions (2000 and 2001). This table shows, for each organization appearing in the preceding tables, the percentage of the current year's assessed contributions under approved regular budgets collected as at 30 June and 31 December of the two most recent years for which such data are available, 2000 and 2001. The table also shows, by organization, the total amount of all assessed contributions under approved regular budgets outstanding as at 31 December of the same two years;

(b) Working capital funds:

Table 6. Working capital funds (2002-2003). This table shows, for each organization appearing in the preceding tables, the level of working capital funds in relation to the level of approved regular budget estimates for the period 2002-2003;

(c) Expenditure and receipts of voluntary contributions:

Table 7. Voluntary contributions: expenditure (2000 and 2001). This table shows expenditure of resources in cash and in kind outside approved regular budgets by each organization appearing in the preceding tables, and by organizations financed from voluntary contributions,² in 2000 and 2001. Expenditure for all activities for which organizations are executing agents are

taken into account except that, as in table 2, data relating to extrabudgetary peacekeeping operations are excluded;

Table 8. Voluntary contributions: receipts (2000 and 2001). This table shows voluntary contributions in cash and in kind received by each organization appearing in table 7, in 2000 and 2001. Data are presented in two sections: section A: Receipts from States, and section B: Receipts from other contributors.

3. The footnotes accompanying the tables clarify individual figures and provide general explanations relevant to the scope and interpretation of the data presented.

Notes

¹ The organizations considered are the United Nations, the International Labour Organization (ILO), the Food and Agriculture Organization of the United Nations (FAO), the United Nations Educational, Scientific and Cultural Organization (UNESCO), the International Civil Aviation Organization (ICAO), the World Health Organization (WHO), the Universal Postal Union (UPU), the International Telecommunication Union (ITU), the World Meteorological Organization (WMO), the International Maritime Organization (IMO), the World Intellectual Property Organization (WIPO), the United Nations Industrial Development Organization (UNIDO) and the International Atomic Energy Agency (IAEA).

² The voluntarily funded organizations considered are the United Nations Children's Fund (UNICEF), the United Nations Development Programme (UNDP), the United Nations Population Fund (UNFPA), the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA), the Office of the United Nations High Commissioner for Refugees (UNHCR) and the World Food Programme (WFP).

(Footnotes on next page)

Notes to table 1

a/ This table shows the amounts of the estimated expenditure actually approved under regular budgets plus any approved supplementary estimates, net of staff assessment. No adjustments have been made in the figures. Where the estimates approved make provision for an amount for an undistributed reserve, it is excluded from the figures, so that the comparisons relate to effective working budgets. Estimated expenditure for the support of extrabudgetary activities is included where and to the extent that it is integrated into the regular budget. Estimated budgetary reimbursements to accounts drawn upon to finance expenditure under the budget or supplementary authorizations are reported in the period of reimbursement. Figures for biennial budgets are divided into two equal annual amounts; supplementary estimates are reported according to the years to which they relate. Where budgets are denominated in a currency other than the US dollar, the amounts reported are translated into the dollar at the United Nations operational rate of exchange at the end of each year, except for the 1996 and 1997 figures, which have been translated at the December 1997 rate. Rates used are as follows:

(1) Swiss francs to the dollar:

- For UPU: 1994 - 1.32; 1995-1997 - 1.16; 1998-1999 - 1.42; 2000 - 1.60; 2002-2003 - 1.68 (UN rate for December 2001).

- For ITU and WMO: 1994 - 1.32; 1995-1997 - 1.16; 1998-1999 - 1.42; 2000 - 1.59; 2001-2002 - 1.65.

- For WIPO: 1994 - 1.32; 1995 - 1.16; 1996 - 1.29; 1997 - 1.42; 1998 - 1.41; 1999-2001 - 1.59; 2002-2003 - 1.65.

(2) Dollars to pounds sterling (IMO): 1994 - 1.56; 1995-1997 - 1.54; 1998-1999 - 1.61; 2000 - 1.67; 2001-2002 - 1.41.

(3) Dollars to Austrian shillings/euros (UNIDO). Please refer to note h/ to table 2.

b/ Provisional.

c/ Net of reimbursable expenditure.

d/ Under the split appropriation and assessment system introduced in 1986, note h/ to table 2 applies.

e/ UNIDO introduced a single-currency budget in euros in 2002, which was converted at the December 2001 rate of exchange of US\$ 1 = Euros 1.1230.

(Footnotes on next page)

Notes to table 2

- a/ This table shows the amounts of assessed contributions actually payable by Governments to finance approved regular budgets and any supplementary estimates. No other financing is reported. Where organizations have an undistributed reserve, the corresponding amount of contributions is excluded from the figures. The effects of the operation of provisions concerning tax equalization funds are not taken into account. Except where stated otherwise, assessments under budgets denominated in currencies other than United States dollars are translated into dollars on the same basis as the budget appropriations (see table 1, footnote a/). Differences between the amounts shown on this table and the total amounts shown on table 4 relate mainly to amounts actually assessed for tax equalization funds (which are included in table 4) and to contributions assessed on a member State that ceased to exist. In the case of IAEA, the difference relates to the valuation of Austrian shilling contributions in table 4.
- b/ Contributions are payable in Swiss francs under the assessment system introduced with effect from 1990. The rates involved (Swiss francs to the dollar) are: 1994-1995 - 1.45; 1996-1997 - 1.16; 1998-1999; 1.46; 2000 -2001 - 1.53; 2002-2003 - 1.77.
- c/ The portion of contributions payable in French francs under the split-assessment system introduced in 1988 is calculated at the following French franc/Euro - dollar exchange rates: 1994-1995 - FF6.45; 1996-1999 - FF5.70; 2000-2001 - FF5.70/Eur0.869; 2002-2003-0.869.
- d/ Provisional.
- e/ Contributions are payable in Swiss francs. The rates involved (Swiss francs to the dollar):
 - For ITU: 1994 - 1.32; 1995 - 1.29; 1996-1999 - 1.42; 2000-2001 1.59; 2002-2003 - 1.65.
 - For WIPO: 1994 - 1.32; 1995 - 1.16; 1996 - 1.29; 1997 - 1.42; 1998 - 1.41; 1999-2001 1.59; 2002-2003 - 1.65.
- f/ IMO contributions are payable in pounds sterling. The rate used for the conversion for 2002-2003 is \$1.41 = £1.
- g/ At the following Austrian shilling/euro - dollar exchange rates under the split-assessment system (US\$ and ATS) introduced in 1988 up to 2001 and the single currency in euros introduced in 2002: 1994 - ATS 10.90; 1995 - ATS 10.00; 1996 - ATS 10.50; 1997 - ATS 12.00; 1998-ATS 12.40; 1999- ATS 12.90; 2000 - ATS 14.8635; 2001 - ATS 15.3642; 2002 - 2003: Euros 1.123. The current figure is subject to variation according to operational exchange rates between these two currencies.
- h/ At the following Austrian shilling-US dollar exchange rate (Euro-dollar exchange rates for 2002 and 2003) under the split appropriation and assessment system introduced in 1986: 1994-2001 - ATS12.70; 2002-2003 - Euro 0.9229 to \$1.00. The actual contribution of Member States is subject to variation according to operational exchange rates between the two currencies.
- i/ Subject to approval by the General Conference.

(Footnotes on next page)

Notes to table 3

- a/ A blank opposite the name of a Member indicates that it is not a contributor to the organization under the scale of assessments.
- b/ For 2002-2003, WHO has no percentage assessments. Dollar assessments for WHO Members are to be found in the annex to World Health Assembly resolution WHA 54.17.
- c/ For IMO, the schedules show the actual percentage assessments for 2002. The 2003 assessments will not be calculated until November 2002.
- d/ The 2003 scale for IAEA is subject to approval by the General Conference.
- e/ For British Caribbean territories, the contribution reported by UNESCO for 2002-2003 relate only to British Virgin Islands and Cayman Islands (0.0006% each).
- f/ In accordance with regulation 5.9 of the Financial Regulations of the United Nations, States that are not Members of the United Nations but that participate in certain of its activities shall be called upon to contribute towards the 2002 and 2003 expenses of the United Nations on the basis of the following rates:

Non- member States	<u>Assessment rate</u> (percentage)
Holy See	0.001
Switzerland	1.274

These rates represent the basis for the calculation of the flat annual fees to be charged to non-member States in accordance with General Assembly resolution 44/197B of 21 December 1989.

- g/ Yugoslavia was admitted as a Member of the United Nations by General Assembly resolution 55/12 of 1 November 2000.

(Footnotes on next page)

- a/ See footnote a/ to table 2 for an explanation of the differences between the totals on this table and the amounts shown on table 2.
- b/ Where no assessment amount is shown in a column against the name of a country, it is not a contributor to that organization under the scale of assessments.
- c/ Regular budget only. Data covering United Nations peacekeeping is to be found in the monthly reports on Status of Contributions (ST/ADM/SER.B) issued by the Secretariat.
- d/ Receipts include cash surplus credits.
- e/ The Holy See and Switzerland are not Member States of the United Nations. Their contributions as non-member States are treated as miscellaneous income. Tuvalu was admitted at the end of 2000 and received an assessment as a Member only in 2001. Note: Figures include year of admission assessments for new Member States (Kiribati, Nauru, Tonga, Tuvalu and Yugoslavia). They also include a payment of \$60,000 from Colombia in 2001 later determined to be for another account for which a corresponding adjustment was made in 2002.
- f/ An additional payment by the United States of America, pursuant to General Assembly resolution 55/5 B, which is credited to a number of other Member States, is shown under their payments rather than those of the United States of America. Details are provided in document ST/ADM/SER.B/585.
- g/ Yugoslavia was admitted as a Member of the United Nations by General Assembly resolution 55/12 of 1 November 2000.
- h/ The original assessed contribution for the biennium of 715,229,100 Swiss francs (US\$ 467,470,000) was adjusted to 715,210,897 Swiss francs (US\$ 467,458,000) following the admission of Kiribati on 3 February 2000 (3,254 Swiss francs), and the change in the assessment rate between Yugoslavia and the former Federal Socialist Republic of Yugoslavia.
- i/ Includes payments for future years.
- j/ UNESCO reports as follows:

	British Islands	Virgin	Cayman Islands

(a) Comprising \$222,358,716 for the regular budget, \$47,192,865 for international tribunals and \$1,989,362,576 for peacekeeping operations.

(b) Comprising \$239,593,380 for the regular budget, \$43,775,154 for international tribunals and \$1,822,931.46^P for peacekeeping operations.

(c) Translated from Swiss francs into United States dollars at the 2000-2001 budget rate of exchange of 1.53 Swiss francs to the dollar.

(d) Contributions in currencies other than United States dollars have in most cases been translated into dollars at the United Nations operational rates of exchange for the months concerned.

(e) Translated from Swiss francs into United States dollars at the rate of exchange at 31 December 2000 of 1.59 Swiss francs to the dollar.

(f) Translated from Swiss francs into United States dollars at the rate of exchange at 31 December 2001 of 1.65 Swiss francs to the dollar.

Notes to table 8

- a/** This table covers contributions provided outside assessed budgets (for which see tables 2 and 4). It also contains the value of contributions in kind when these are included as income in the financial statements of organizations (see relevant notes). Section A contains contributions from States and section B shows the total contributions from other contributors. Contributions received in currencies other than United States dollars have been translated into dollars at the exchange rate judged most appropriate by the organizations concerned.
- b/** Figures include voluntary contributions to UNFICYP and to other peace-keeping operations financed from special assessments and regular budget.
- c/** UNEP figures include technical cooperation trust funds and counterpart contributions.
- d/** Contributions to UNITAR's special purpose grants fund are reported in section B (other contributors)
- e/** UNICEF figures exclude income from greeting cards and related operations.
- f/** UNRWA figures include \$15.4 million and \$23.4 million as contributions in kind for 2000 and 2001 respectively.
- g/** UNHCR figures exclude expenditure in kind for 2000 and \$5.2 million expenditure in kind for 2001.
- h/** WFP figures includes contributions in kind of \$453 million in 2000 and \$454 million in 2001.
- i/** FAO figures include contributions from United Nations system organizations totalling \$97 million in 2000 and \$151 million in 2001.
- j/** ICAO figures include East Timor.
-
