Subject: **Revised rates for short-term conference interpreters, effective 1 January 2026**

*Vi. bry*

1. In accordance with the 2019 CEB-AIIC Agreement, I am pleased to share the daily net rates for short-term conference interpreters **with effect 1 January 2026**.

	Group I	Group II
Austria	<b>EUR 653</b>	<b>EUR 435</b>
Canada	<b>CAD 936</b>	<b>CAD 624</b>
France	<b>EUR 667</b>	<b>EUR 445</b>
Italy	<b>EUR 564</b>	<b>EUR 376</b>
Spain	<b>EUR 566</b>	<b>EUR 377</b>
Switzerland	<b>CHF 745</b>	<b>CHF 497</b>
United Kingdom	<b>GBP 643</b>	<b>GBP 429</b>
United States	<b>USD 836</b>	<b>USD 557</b>
World	<b>USD 702</b>	<b>USD 468</b>

Please note that the rates will remain in effect until 30 June 2026 and have been calculated in compliance with the 'non-regression clause' set out in paragraph 9 of Annex E to the 2019 CEB-AIIC Agreement, and as such, the rates to take effect on 1 January 2026 are the highest between those in effect as of 1 January 2019 and those re-calculated as of 1 January 2026.

2. Furthermore, the rates have been calculated in United States dollars and were then converted into local currencies as per the methodological parameters of the 2019 CEB-AIIC Agreement, i.e. the 12-month rolling average of the United Nations operational rates of exchange.

3. With respect to the World rates, the 2019 CEB-AIIC Agreement regulates that these are calculated in United States dollars, which is also the currency of payment. However, under separate agreements within member organizations, payments may be made in the currency of the country of the short-term conference interpreter's domicile or in a third currency, on the condition that this does not represent an additional cost to the member organization and is operationally feasible. In such instances, the rate of exchange to be applied shall be the monthly United Nations operational rate of exchange in force on the date that the payment is made.

4. Finally, please note that, with reference to footnote 2 of Annex E to the 2019 CEB-AIIC Agreement, the transitional allowance phased out on 31 December 2022.
